

## Asset Entities, Inc.'s Stock Server Disclaimer

Asset Entities Inc. provides information on its Discord servers for educational and entertainment purposes only. Nothing on the server constitutes a comprehensive or complete statement of the matters discussed or the law relating thereto. The Company does not endorse and is not responsible for any content or comments posted by the Company's content providers or members of the Discord server. You should not buy or sell securities based on an alert or information contained or posted by the Company or any other participants on the Company's Discord or any other social media. It is your decision whether to purchase or sell any securities and you should do so based your own due diligence. The Company's purpose is to provide a forum for educational and entertainment purposes and connecting with like-minded individuals. Also, with our channel open to all people, realize that scams may pop into your direct messages, also known as DMs. We do not ask you for, and will not accept, any form of currency, money, bitcoin, any other form of crypto-currency, or anything of value to invest. You purchase stock at your own choice, and own risk, and all of those decisions and actions are your choice and decision. We will never offer to trade securities for you.
